TERRACOTA ESMALTADA

The products in the Glazed line are made of a mixture of selected clays so they maintain all the durability of terracotta products, but feature high-quality enamel finishes and non-toxic colours. They are guaranteed to be long lasting and withstand the most extreme temperature conditions.

Los productos de la línea Glazed se realizan con una mezcla de arcillas seleccionadas y, por lo tanto, mantienen todas las características de resistencia que caracterizan los productos de terracota, y además se caracterizan por acabados de esmalte de alta calidad y colores atóxicos. Garantizan duración y resistencia en las peores condiciones de temperatura.

Os produtos da linha Glazed são realizados com uma mistura de argilas seleccionadas e, portanto, mantêm todas as características de resistência próprias dos produtos em terracota, mas são caracterizados por acabamentos em esmalte de alta qualidade e cores atóxicas. Garantem durabilidade e resistência nas piores condições de temperatura.

CONTEMPORARY

Quintessential, clear-cut lines ideal for refined, modern settings. Sophisticated, high-performance materials, innovative textures, trendy colours. The Contemporary collections are always coherent with the most exquisite examples of design and contemporary architecture.

Líneas esenciales y limpias, ideales para ambientes elegantes y modernos. Materiales sofisticados y de alto rendimiento, texturas innovadoras, colores de tendencia. Las colecciones Deroma Contemporary siempre están en línea con las expresiones más prestigiosas del diseño y la arquitectura contemporánea.

Linhas essenciais e limpas, ideais para ambientes modernos e elegantes. Materiais sofisticados e de elevado rendimento, texturas inovadoras, cores ténues. As coleções Contemporary estão sempre em linha com as mais prestigiosas expressões do design e da arquitectura contemporânea.
